## Brooks Gas Co.

### **Providing Reliable Propane Service Since 1949**

Finding a family Business in a small town generally isn't too tough. But finding one that has been around for more than 60 years and four generations makes it a slightly tougher task. However, it does exist. Since John William Brooks founded Brooks Gas Co. in 1949, Brooks Gas Co. has made its home just off the square in Marshfield, Missouri. Since that time, Brooks Gas Co. has built a reputation as a dependable propane gas supplier that has seen steady growth over the past several decades.

Brooks Gas Co. is a full-service propane company offering sales, installation and repair of propane and propane appliances. We pride ourselves on providing excellent customer service with a personal touch. Our showroom in Marshfield, Missouri, contains a wide selection of grills, gas logs, fireplaces, wood pellet stoves, and accessories.

# Thankful Thursday

It's Thankful Thursday!

Today, we're thrilled to spotlight Alea from **U.S. Bank**! Amanda shares, "Alea has been with US Bank for over 6 years! She's helped so many customers with their banking needs, whether it's moving money or recommending the best products for each unique person. Alea always goes above and beyond—she even helped me fill out the right forms to get my business license! I'm so thankful for her. When

she's not helping customers, she's farming and spending time with her grandbabies."

Thank you, Alea, for going above and beyond for our community! We are so thankful for you! We hope you enjoy your treat from **Rise Coffee Co.**

Who do you know that goes above and beyond to serve our community?

**WEBSTER COUNTY**  
Public Health Unit

The **Webster County Health Unit** and **American Heart Association** are looking for the next public health superstar. If that person is you, check out the flyer below and then click **HERE** to jump start your future in healthcare.

## Join HeartCorps

Jump start your career in public health with the American Heart Association and Webster County Health Department in Marshfield!

**HeartCorps** is a Public Health AmeriCorps service opportunity for those interested in gaining valuable professional experience while advancing more equitable health outcomes for rural communities.

People in rural areas live three years fewer than people in urban areas, with rural areas having higher death rates for heart disease and stroke.

Additionally, many rural communities face a critical shortage of health care professionals, including public health workers, which negatively impacts access to care.

**HeartCorps Service Members** will serve in-person and gain valuable experience supporting, developing, and implementing programs and education around high blood pressure, nutrition security CPR/cardiac readiness and smoking cessation.

**Full & Part Time Service placements start November 4, 2024!**

### **Service Member benefits include:**

- A bi-weekly living stipend of \$1108.70 (pre-tax) for full-time members.
- A \$7,395 educational award upon successful completion of full-time service.
- Healthcare benefits and a childcare subsidy if eligible
- Professional development
- Direct access to job opportunities upon successful completion of the program.
