Hello everyone!

As most of you know, Webster County Victim Assistance Program/Safe Harbor is a crisis center where we assist people going through trauma due to domestic or sexual violence. We currently have two small homes which we use for emergency shelter for victims. Webster County is growing and we are growing as well, we are at capacity at our shelters on a regular basis, having to turn away on an average 25 women and children per month.

Our plan is to build a facility where we could meet the demands of Webster County. We are in need of 3-5 acres to begin our process, if anyone knows of any land near Marshfield or willing to donate the land to our cause, would be greatly appreciated! Thank You!

Marshfield Community Theatre presents
Leaving Iowa

A Hilarious Journey Through the Heartland of Family Memories
Buckle up and get ready for a heartwarming and hilarious adventure as Marshfield Community Theatre proudly presents the critically-acclaimed play, *Leaving Iowa* by Tim Clue and Spike Manton.

Synopsis

The spark behind *Leaving Iowa* comes from being children of parents from the now dubbed “greatest generation.” The story is a toast to their idealism and character and a little roast of their undying dedication to the classic family road trip. More specifically, it is the story of Don Browning, a middle-aged writer, who returns home and decides to finally take his father’s ashes to his childhood home, as requested. But when Don discovers Grandma’s house is now a grocery store, he begins traveling across Iowa searching for a proper resting place for his father. This father-and-son road trip shifts smoothly from the present to Don’s memories of the annual, torturous vacations of his childhood. Don’s existential journey leads him to reconcile his past and present at the center of the United States. *Leaving Iowa* is a postcard to anyone who has ever found himself or herself driving alone on a road, revisiting fond memories of his or her youth. Premiered at the Purple Rose Theatre Company.

BE MERRY & BRIGHT!

In 1925, a single strand of 16 colored lights was placed above a doorway in the Country Club Plaza in Kansas City to celebrate Christmas. The number of lights increased annually, inspiring an official lighting ceremony that first took place in 1930. On Thanksgiving night, tens of thousands of people visit the Plaza for the local entertainment/performance and to watch the switch-throwing to initiate the Christmas season.

Your lighted and decorated store front will help transform the Marshfield Square into a wonderland, and family tradition. Additionally, we encourage all Marshfield homes and businesses to participate.

STARTING: Thanksgiving Night, Thursday November 28, 2024

ENDING: Thursday Morning, January 2, 2025

Put your lights on a timer for easy maintenance and economical operation- 5 p.m. to 8 a.m. each day, or all day.
