# There's Strength in Numbers

## Say hello to the Chamber Benefit Plan.

A multiple employer welfare arrangement (MEWA) designed for businesses like yours.

When it comes to providing employees with cost-saving healthcare coverage, small businesses are at a big disadvantage compared to their larger counterparts. Because of their smaller size, their claims risk pool is spread out across a much smaller employee population. That can result in higher, less stable insurance rates – and fewer viable plan choices.

Fortunately, there's a simple and affordable medical plan alternative: **the Chamber Benefit Plan.**

Powered by the Missouri Chamber Federation and administered by Anthem Blue Cross and Blue Shield, the Chamber Benefit Plan is available to small group employers in Missouri who are members of a qualifying Chamber of Commerce and have 2 to 50 eligible employees.

### Advantages that make a real difference:

- › Competitive, medically underwritten rates
- › Additional savings for dental, vision, life and/or disability coverage
- › A variety of plan designs, including multiple PPO and HSA options
- › Fixed, predictable monthly payments
- › Money-saving SmartShopper program for members

## A Premier Producer can help you unlock the advantages of the Chamber Benefit Plan.

Premier Producers are a part of an exclusive group of brokers who are experts in the Chamber Benefit Plan with a proven track record of helping their clients achieve savings. A Premier Producer can help you join a local chamber and explore the health plans and options available to you.

# Thankful Thursday

□ It's Thankful Thursday! □

Today, we are shining a spotlight on **Webster County Printing!**  
They consistently go above and beyond to ensure that our

community's printing needs are met with exceptional customer service and top-notch quality printing.

This is what the **The Dickey House** had to say about Robert and the staff at Webster County Printing: "Robert and staff have always worked hard to take care of their customers-seeing to the slightest detail. They can always be counted on to do a great job and to complete the job on time. They provide top notch service to everyone and always support our community. We are grateful to have a local printing shop that cares so much about their customers.

“

Thank you, Webster County Printing, for all you do to help local businesses thrive! We're so grateful and hope you enjoy your treats from **Zimmerman Meats!**

Who do you know that goes above and beyond to serve our community?

*It's time for a change!*

# Fall Back

Time Change Sunday, Nov. 3

Webster County, MO

TFI Webster County, MO is a Nonprofit Organization here to bridge the gap between the Community, Churches, and Other

Organizations to the FOSTER CARE COMMUNITY.  
Every member of the Foster Care Community Matters.

Agency Workers

Foster Parents

Vulnerable Adults

Children

Right in our community, there are agency workers who are directly interacting with foster parents, vulnerable adults, and children in foster care. Navigating each unique case that brings challenges, including long emotionally draining hours, never-ending paperwork, and limited resources. Agencies need encouragement and additional support as they step into the lives of others that is why we are reaching out to YOU to HELP US

TFI WEBSTER COUNTY, MO

With the EMERGENCY CLOSET.

THE EMERGENCY CLOSET

You may ask.... What is the EMERGENCY CLOSET?? This is a small little closet inside the office where Agency Workers can get items late at night or early in the morning when everything is closed in town. A closet for the child(ren) to have items they need before they are settled into their NEW placement home.

TFI WEBSTER COUNTY, MO STRIVES to make sure no child(ren) goes without their needs being meet.

Children enter foster care because they have been abused or neglected by the very ones meant to keep them safe. This trauma impacts their bodies and their brains in significant ways, which is where we can step in and support with the children's needs.

TFI Looks to the community to help support these little ones.

Will YOU be the ONE to HELP?

Currently, TFI is working with the community to fill this closet with needed items. Attached you will find an amazon list link of the items needed. If you are interested in helping in other ways, please reach out to the below information.
