Thankful
Thursday

□ Thankful Thursday Spotlight □

This Thankful Thursday, we are recognizing John from [Hero Ride Shop](#) for his incredible kindness and compassion. ♥

Here is what India shared:

"A runaway stopped by John's shop today and asked for food. We don't know why he chose to stop here, but are grateful he did. John talked to him, fed him, called his mom, and she picked him up.

John's occupation may have changed, but his heart and desire to help others haven't. I know he made a difference today.

He would never share something like this, but I will because I'm proud." John, thank you for being a true example of community spirit. Your actions make a difference, and we are so grateful for all you do. We hope you enjoy your treat from [Las Cazuelas!](#) □□
