THURSDAY

Congratulations to Dennis Insurance for earning the Thankful Thursday spotlight! Read below the kind words Helen had to say.

"Melony was my first stop when I moved to Missouri. She was basically my welcoming committee - kind and caring she spent several hours try to get me the best coverage. I have since recommended several

others and she gave them the same detailed attention. She is heavily involved in church functions and community events.

I don't look for any other insurance agent because I have the best already. "

Thank you, David & Melony for going above and beyond! We are so grateful for you!

We hope you enjoy your sweet treats from **Sheila's Place**.

Attention Webster County Friends!

Do you ever feel like there are not enough hours in the day to enjoy your me-time when you get home from work? Let us help you regain a few extra hours.

Experience coming home to a freshly cleaned house through the week. There is nothing quite like it, especially when you don't have to lift a finger to detail dust, use extra scrubbing powers on the soap scum, or worry about vacuuming and mopping up Fido's furry messes!

We're here to help you reclaim your precious wind-down time.
