
Chamber Partner Spotlight

Dennis Insurance was founded in April 2019 by David & Melony Dennis. As an independent insurance Agency, they would have more opportunities to find better insurance options and solutions for the community they serve. Dennis Insurance just had their 5-year anniversary!

They added Medicare sales in late 2019 and have found this to be a great fit for Melony to work with seniors. She really enjoys educating and caring for the older population.

David's background in law enforcement has been very helpful in working auto claims. David's focus is helping their clients with home, auto & commercial coverage.

If you need help in auto, home, life, business, farm, Medicare, or health insurance, please contact David or Melony at 417-859-5484. They would love to help.

Congratulations to Mr. Curley, MHS Principal **Marshfield R-1 School** for earning the Thankful Thursday Spotlight! Read below why Reagan and Emmett are so thankful for Mr. Curley "Even though we students are so excited for summer and so happy we are out of school, we would like to take this opportunity to thank our amazing retiring principal, Mr. Jeff Curley. Mr. Curley has been dedicated to his job and to the Marshfield School System, and has impacted we Marshfield students for the better. He has always shown great support and has put so much faith in all of us. Meeting us in the hallway with a smile, or telling us to be quiet during assemblies, we will miss you!

Thank you, Mr. Curley for everything that you have done for our school! You have made us and so many others proud to be Blue Jays!!"

As you prepare to embark on your well-deserved retirement, we want to thank you for all that you have done. Wishing you a fulfilling and joyous retirement!
