NIGHTINGALE HEARING CENTER

{First Name},

Dealing with hearing loss can be difficult, not to mention the challenge of understanding and selecting a hearing aid. There are multiple features to suit different hearing losses, individual needs and lifestyles. Where do you begin?

Nightingale Hearing Center has the answer!

With our staff, you can be sure your hearing loss is properly diagnosed and managed. We are independent and will fit you with the best technology for your hearing loss. We specialize in helping people hear **more clearly**, not just louder. The biggest problem for most people is clarity. "I can hear, I just can't make out the words!"

We make it easy to get started on the path to better hearing and enjoying the things you love again. From your first visit, you'll enjoy natural sound and amazing connectivity that keeps up with your life.

Sincerely,

Michele Novotny
