

Chamber Partner Spotlight

I'm Michelle, and together with my husband, Kevin, we're the proud owners of **Grass Roots Garden Center**, your go-to haven for everything gardening, located just off J Highway, west of town. Six years ago, we expanded our landscaping business into a retail store, and since then, our garden center has grown into a

thriving community hub for fellow green thumbs.

At Grass Roots, we specialize in a wide variety of perennials—especially those that attract pollinators, which is a passion of mine! We also stock a rotating array of shrubs like hydrangeas and roses, as well as ornamental grasses and trees of all shapes and sizes. Of course, we have the essentials too, from pavers and

boulders to compost and mulch.

One of the additions we're most proud of is our greenroom for indoor plants and a state-of-the-art greenhouse that ensures our plants are healthy and blooming, ready for spring. We're open year-round because, while the buzz of spring planting is exhilarating, fall is truly the prime time to establish those plants. We know the changing seasons don't stop you from making improvements to your property!

One of my favorite offerings at Grass Roots is our DIY with a Pro program. It's a personalized service where we visit your site, craft a custom plan, and help you create the landscape of your dreams with your very own hands. It's been wonderful seeing so many of you transform your outdoor spaces into professional-grade landscapes.

Being part of the Marshfield business community has been an incredible journey. Every plant we pot and every garden we help create deepens our roots in this community we love. Thank you for letting us be a part of your gardening adventures. Here's to many more!

THURSDAY

□ Congratulations to Chief Fannen and the Marshfield Police Department! □

We are thrilled to shine the Thankful Thursday spotlight on [Chief Fannen and the Marshfield Police Department](#).

Their dedication and hard work have not gone unnoticed! Check out below to see why the Marshfield Independence Day Parade Committee is so thankful for their contributions:

The Marshfield Independence Day Parade Committee would like to nominate Marshfield Police Chief Doug Fannen and the officers of the Marshfield Police Department for Thankful Thursday for all of their hard work during the 145th Independence Day Parade. As usual, Chief Fannen and his officers went above and beyond to help make sure that everything ran smoothly and was safe for parade spectators and participants alike. It has long been a tradition for the Marshfield Police Chief to formally lead the 4th of July Parade and we are proud each year as Chief Fannen clears the city streets and leads our parade along the parade route. We thank all of the officers for their dedication and continued commitment to assist in carrying on this special Marshfield tradition.

Thank you for all you do to keep our community safe and thriving, we hope you enjoy your treats from [The Old School Donut Shop!](#)
