Marshfield Chamber August Networking Event: A Day at Hammons Field

On Sunday, the Marshfield Chamber hosted a memorable networking event at Hammons Field, where members and their families gathered for Marshfield Day. The day started with a delicious picnic lunch on the patio,

creating the perfect atmosphere for casual networking.

As the excitement built, the Marshfield Honors Choir delivered a stunning rendition of the National Anthem, setting the tone for the game. In a special moment for our community, Mayor Natalie McNish took to the mound and threw out the first pitch, marking the start of the game!

It was a day of great company, fantastic food, and a celebration of community spirit, all while enjoying America's favorite pastime.
