This week, we're excited to celebrate Kelly from Pizza Hut! Rebekah has shared some amazing words about Kelly's dedication and hard work!

"She fights for what Marshfield wants. Marshfield wanted buffet back? She fought for it. Sandwiches? Brought those back too. She goes above and beyond to soar the business and strives to grow our little hometown **Pizza Hut**. Even with her health issues she continues to do great things and pushes through welcoming customers through our doors day in and day out with a greeting smile and a warm welcome. She is always willing to take on bigger

and better things!"

Thank you, Kelly, for always going above and beyond to serve our community!

We hope you enjoy your sweet treats from **Lisa's Homemade Eats & Treats**.

Monday's Chamber Job Fair was all about creating powerful connections between job seekers and employers! The atmosphere was buzzing with energy as local businesses engaged directly with motivated candidates, sparking meaningful conversations and opportunities.

Employers had the chance to showcase their companies and meet talented individuals eager to contribute their skills. Job seekers explored a variety of positions, building relationships with potential employers and learning about different career paths in the community.
