Thankful
Thursday

This Thankful Thursday we are excited to shine the spotlight on [**Katy Mathis - American Family Insurance!**](#)
Read below why Desi is so thankful for Katy:

"Katy has been our insurance agent for years and has been so good to us. As much as I love her for that, it's how I've seen her treat others that brought me to nominate her. She has a true caring heart and a passion to help each of her insureds. I have no doubt she loses sleep coming up with solutions for difficult insurance situations. Beyond all the hard work and long hours she does in the office, she is still very much a part of Papa and Nana's, her church and the antiquing community. She always has a beautiful smile on her face and a willingness to help even when she's drained. I'm thankful to know her."

Katy, thank you for going above and beyond for our community!

We are so thankful for you!!

We hope you enjoy the delicious cookies & cream cake from

Marshfield continues to be in a seller's market for homes, though days on market have increased. The median value appears to have peaked, as we are seeing a slight decrease in value when compared to home sales in July. For a more in-depth analysis of your home's value, or other property types, please reach out to one of our agents.

MAKING A DIFFERENCE WHERE IT COUNTS!

Fireman's Prayer:
*When I am called to duty, God,
 wherever flames may rage,
 give me strength to save a life,
 whatever be its age,
 Help me embrace a little child
 before it is too late,
 or save an older person from
 the horror of that fate.
 Enable me to be alert,
 and hear the weakest shout,
 quickly and efficiently
 to put the fire out.
 I want to fill my calling,
 to give the best in me,
 to guard my friend and neighbor,
 and protect his property.
 And if according to Your will
 I must answer death's call,
 bless with your protecting hand,
 my family one and all.*

Who we are and what is this for?

MARSHFIELD FIREFIGHTERS ASSOCIATION

This 501c3 program was created to add support to Marshfield Firefighters in areas not typically supported by taxable revenue. This program assists our courageous men and women who are willing to find time in their busy schedules to assist others in need. These brave men and women train and respond alongside our full-time crews to add valuable man power in large scale incidents.

On behalf of the Marshfield Firefighters Association, we would greatly appreciate your support in adding valuable funds to better support those who answer the call. The proceeds raised from this event will be used to help ensure that our firefighters have the equipment and training to take care of those in our community who need our assistance. Some examples might include the purchase of personal safety equipment, and a utility-style off-road vehicle equipped to support wildland fire operations and off-road rescues.

Lunch will be provided by the Marshfield Firefighters Association
