**LUMBER & SUPPLY**  
**417-468-2128**

**Marshfield Lumber and Supply** has been serving Webster County and beyond since 1903. It was originally called B B & M Lumber when it was founded. It changed its name to Marshfield Lumber Company when Ralph Gander bought it from B B & M. Jack Freeman bought Marshfield Lumber Company in 1988 from Bob Ankrom and Mrs. Cecile Gander. He was responsible for changing the business's name to Marshfield Lumber & Supply and moving the lumber yard to its current location at 420 S. Pitts St. in 1990. Marshfield Lumber has always been a family business, especially since Jack Freeman purchased it. Jack's three sons Jim, Jon, and Joe have all spent time with Marshfield Lumber throughout the years, and Jim and Jon are still with the business.

At Marshfield Lumber, we believe that service is what sets us apart from our competitors. We will go out of our way to ensure the customer has a good experience. We try to create lasting relationships with customers and turn each first-time customer into a recurring one. We thank the people of this community for allowing us to serve them over the years and we pray that God will allow us to do so for many years to come.

At Marshfield Lumber & Supply, customer satisfaction is our top priority. We strive to do all that we can to create a pleasant business relationship with everyone we come into contact with. We believe that our customer service is what gives us a competitive advantage in the industry. We offer same-day deliveries, don't charge delivery fees, and don't charge restocking fees on returns.

We offer everything you need, whether you are a do-it-yourselfer or a full-time

contractor. We specialize in lumber, plumbing, electrical, roofing, siding, doors, windows, insulation, sheetrock, tools, and hardware. If there is an item you need that we don't have, let us know and we can get it for you.

THURSDAY

Congratulations to Nicole Hampton with **Fat Boys BBQ** for earning the Thankful Thursday spotlight this week. Nicole does so much more than BBQ! Along with owning and running multiple businesses, she still finds time to give back to the community we all love! Rumor has it next week she will have the BBQ shack at the Cherry Blossom festival.

Here's what Helen had to say about Nicole "Wow do I ever know someone. Nicole Hampton has created so much enterprise in Marshfield. Fat boys BBQ, Fat boys frosties, she organizes dads and divas dance and conduct girls camp for her church in the summer. I haven't even scratched the surface, because she is also heavily involved in operations for Marshfield Saddle club. That includes bringing Pow wow to Marshfield for the first time in many years. I hope you can give her this honor. She is found most days at honey boutique."

Nicole, Thank you for going above and beyond for our community!! We hope you enjoy your sweet treats from **Bomgaars Supply** !

Who are you thankful for?

What business or employee has gone above and beyond?

### AMERICAN PICKERS to Film in Missouri

The American Pickers are excited to return to Missouri! They plan to film episodes of The History Channel hit television series throughout your area in June 2024.

**AMERICAN PICKERS** is a documentary series that explores the fascinating world of antique “picking” on The History Channel. The hit show follows skilled pickers in the business, as they hunt for America’s most valuable antiques. **They are always excited to find historically significant or rare items, in addition to unforgettable Characters and their collections.**

As they hit the back roads from coast to coast, the Pickers are on a mission to recycle and rescue forgotten relics. Along the way, they want to meet characters with amazing stories and fun items. They hope to give historically significant objects a new lease on life while learning a thing or two about America’s past along the way. **The Pickers have seen a lot of rusty gold over the years and are always looking to discover something they’ve never seen before.** They are ready to find extraordinary items and hear fascinating tales about them.

The American Pickers TV Show is looking for leads and would love to explore your hidden treasure. If **you** or **someone you know** has a unique item, story to tell, and is ready to sell...we would love to hear from you! Please note, **the Pickers DO NOT pick stores, flea markets, malls, auction businesses, museums, or anything open to the public.** If interested, please send us **your name, phone number, location, and description of the collection with photos to:**
