December

Christmas in Marshfield was a day to remember! The festivities kicked off with *Breakfast with Santa*. The little ones were absolutely thrilled as they met Santa, enjoyed breakfast, and dove into a world of crafts and “shopping.” The laughter and excitement in the air was contagious, and it was clear this event was something everyone looked forward to. The vendors were fantastic, offering a variety of goods that added to the festive atmosphere. From unique handmade items to great finds from local shops, there was something for everyone. And let’s not forget the food—whether you were craving a sweet treat or a savory bite, the food vendors had plenty to satisfy every appetite. It was the perfect mix of shopping and snacking, making the day even more enjoyable! The entertainment was top-notch, with performances that kept everyone entertained and added a special touch to the event. But the highlight of the evening was the parade. As night fell, the streets

of Marshfield came alive with lights—glowing floats, twinkling lights, and a parade that lit up the town in the most beautiful way. The Square was packed with people, all taking in the sights and sounds!
It truly felt like the best Christmas celebration yet in Marshfield. A big thank you to everyone who played a part in making Saturday unforgettable. It was a day full of joy, and the kind of holiday magic that only a community like ours can create. Here's to more memories like these in the years to come!

Greetings fellow Marshfieldians! The **Marshfield Saddle Club** would like to invite you to help spread HOLIDAY CHEER on December 20th and 21st by setting up an outdoor Christmas display on our club grounds. We ask that you put up a sign next to your display so when the community drives through they know what businesses choose to participate. There is no set size requirement for your display, so

it can be as small or as big as you wish. You are not required to be there on the 20th and 21st, but are welcome to join our club members if you wish too. The club will be handing out candy canes to all the kids who come through. If your

display requires electricity you may need to bring a generator as we are limited on electrical outlets. Please contact Nicole Hampton on the availability of electricity at 417-300-8227. Set up is December 19th and take down will be December 27th. We are asking that anyone who participates please pay \$10 to the Marshfield Saddle Club. This is a way for the club to fundraise for future events as it is a 501c3. We look forward to seeing you and Happy Holidays.
