WCT FARM AND LAWN
STRAFFORD, MO

Welcome to WCT Farm & Lawn, where our farm, lawn, and outdoor power equipment is second to none. With GREAT brands like LS Tractor, TYM, Ventrac, Rhino, Bush-Whacker, Ferris, Snapper, Snapper Pro, Simplicity, Echo, Shindaiwa, Kymco, and American Landmaster. Located in Strafford, MO there isn't a friendlier or more knowledgeable staff than ours. We're happy to help you find the right equipment or the parts you've been looking for. If you need help in making your selection, call or stop in— we're always ready to help!

We are family-owned and operated, and we are conveniently located just east of Strafford, MO on the north outer road. WCT Farm & Lawn can provide you with the latest and best in farm, lawn, and outdoor power products to make your outdoor living

more enjoyable. Combine this with a wide array of selections, with our friendly and knowledgeable staff, and we are convinced WCT Farm & Lawn will become your only stop for all of your outdoor power needs.

We know individuality is important, which is why we pay close attention to the interests of each customer. From the minute you walk through the door, meeting your needs is our top priority. We strive to offer not only excellent customer service but also pride ourselves on hard work and a focused attitude to get the job done right. WCT Farm & Lawn has a long list of satisfied customers. Call or stop by, you'll be glad you did.

THURSDAY

We are over the moon excited to share that the Marshfield JAG students have earned the spotlight this week!

Here is what the **Webster County Historical Society** shared about the JAG students "On behalf of the Webster County historical society, we would like to nominate the JAG program with the Marshfield Schools for the Thankful Thursday award. The JAG program has been a tremendous help to the museum in so many ways. They have helped us setup our booth at Harvest days and the Christmas Festival. They have come to the museum and helped us setup and take down our Christmas decorations, organize files, setup displays and various other projects. The leadership and encouragement of their leader Shelly Jones and the willingness of the students to help in however needed is something we are very thankful for. It is a joy to be around this group of young people and their leader. They have helped us accomplish things we could not have without their help. The Webster County Historical Society is very thankful for the JAG program and those connected to it."

We are so very thankful for the Marshfield JAG students and their leader, Shelly Jones! Thank you for all you do for our community! We hope you enjoy your special treat from **Sheila's Place!**

Our Lunch & Learn event drew a crowd and proved to be a hit! **Papi's** provided a delicious meal, Scott Allen from the **Webster County Health Unit** delivered Narcan training and generously distributed complimentary Narcan to all attendees. Trevor Croley with **Croley Insurance & Financial** also offered valuable insights into the MEWA insurance plan.

The gathering offered an excellent opportunity for networking, and

the icing on the cake was the Ribbon Cutting for the **James River Basin Partnership**! Thank you to everyone who made this event a success! We are so very thankful for you!
We are already talking about our next networking event, stay tuned for details!

The April 2nd General Municipal Election is almost here!

This election is for School Boards, Fire Boards, Nursing Home Board, 911 Board, City Councils, etc. There are a handful of areas that have nothing to vote on because the districts had an equal amount of candidates file as open positions.

Therefore, those areas will NOT have a ballot on April 2.

Those areas are:

- Hubble Township - everyone - polling location will be closed.
- Grant Township - everyone EXCEPT Fair Grove School District
- Osage Township - everyone EXCEPT Niangua School District

Workshop on Thursday, May 2, 2024, at Praise Assembly, 3535 N. Glenstone Ave in Springfield, from 8:00 am to 1:00 pm.

The workshop will include a visit to the Greene County Onsite Wastewater Training Center and will give developers and real estate professionals the opportunity to learn more about onsite wastewater treatment systems that may be installed at properties they are listing for sale. Continuing education credits have been applied for approval from the Missouri Real Estate Education Committee (MREC).

Online registration and a workshop agenda are available at:

<https://www.pipevinetracks.com/#/registration/class-info/mso-4727>.

The conference and continuing education credits fee is \$15. A certificate of completion will be provided.

Funding for this workshop is provided by the Greene County Environmental Division.

Course Host is Missouri Smallflows Organization (School #95000). Course has been submitted for MREC CEs, pending approval.
