THURSDAY

Congratulations to Debra Hyder with **H & R Block-Marshfield Missouri** for earning the spotlight for this week's Thankful Thursday!

Wondering why Debra was chosen? Here's what her nominator had to say about her. DEBRA WORKS EXTREMELY HARD TO KEEP HER BUSINESS OPEN AND READY FOR SERVICE. SHE ALSO FINDS TIME TO VOLUNTEER TO KEEP THE BOOKS FOR THE ATHLETIC BOOSTERS AT MARSHFIELD SCHOOLS. THIS STARTED WHILE HER SON WAS PLAYING SPORTS BUT SHE HAS KEPT IT UP EVEN THROUGH THE BUSIEST TIMES OF THE YEAR. DEBRA ALSO SUPPORTS MANY OTHER WORTHWHILE CAUSES IN THE COMMUNITY REMEMBERING THAT WITHOUT THE PUBLIC AND HER NEIGHBORS SHE WOULD NOT HAVE A BUSINESS. SHE IS DEFINETLY COMMUNITY MINDED AND DESERVES TO BE RECOGNIZED.

Congratulations Debra! We hope you enjoyed your **Marshfield Little Caesars!** Thank you for serving our community!!

Who are you thankful for? **Nominate** them today!

NEWS RELEASE

Date: Jan. 2, 2024

Subject: CFO scholarships now open for application

Contact: Beth Hersh at bhersh@cfozarks.org; or Aaron Scott at ascott@cfozarks.org; or 417-864-6199

Students can now apply for \$1.7 million in scholarships administered by the Community Foundation of the Ozarks. By completing the CFO's new universal application, students can more efficiently apply for scholarship opportunities. Students can begin the process at cfozarks.org/applyforscholarships.

The universal application is a comprehensive online form with a series of questions unique to each student. Based on their responses, the universal application will pair students with the scholarship opportunities for which they qualify. The new system will save students time while identifying scholarships they might not have known about.

In addition to scholarships for graduating seniors, the CFO has opportunities for current college students and students attending technical or graduate programs. Amounts range from \$200 to \$10,000, with many scholarships renewable for two to four years.

The CFO holds about 480 scholarship funds that will provide about 900 scholarships for students across central and southern Missouri for the 2024–25 school year. Scholarship funds are established by individuals, families or organizations with a wide range of intentions, such as supporting students who graduate from the donor's alma mater or pursue a certain field of study. Information about the CFO's scholarship opportunities and application process is available at cfozarks.org/scholarships.

"We're excited for students to use the new universal application," said Beth Hersh, the CFO's director of scholarships. "With so many scholarship opportunities established by generous donors, we're grateful to offer a system that can easily tailor the process to each student."

Applications will close for most CFO scholarships on Sunday, March 24. For more information, contact Beth Hersh at bhersh@cfozarks.org, or call 417-864-6199.

The Community Foundation of the Ozarks is the region's largest public charitable foundation serving donors, nonprofit partners and 54 regional affiliate foundations with assets totaling \$427 million as of June 30, 2023. The CFO's mission is to improve the quality of life for everyone in central and southern Missouri through resource development, community grantmaking, collaboration and public leadership.
