Based on the 1985 film inspired by the classic board game, Clue is a hilarious farce-meets-murder mystery. The tale begins at a remote mansion, where six mysterious guests assemble for an unusual dinner party where murder and blackmail are on the menu. When their host turns up dead, they all become suspects. Led by Wadsworth (the butler), Miss Scarlet, Professor Plum, Mrs. White, Mr. Green, Mrs. Peacock and Colonel Mustard race to find the killer. Clue is the comedy whodunit that will leave you trying to figure out...WHO did it? WHERE? and with WHAT?
