□ THANKFUL THURSDAY! □

This week, we're giving a huge shoutout to The Board of Trustees of the [Webster County Health Unit!](#) These amazing folks go above and beyond to make sure public health services are available and accessible to everyone in Webster County.

Lisa put it best:

"These wonderful people donate their free time to ensure quality public health is provided to the residents of Webster County. Several of them are on other boards and connected to many charities in our area. I don't know what little towns like ours would do without people like John Quinn, Ann Rost, Mike Frazier, Robert Williams, and Tiffany Kirk."

□ Thank you all for your dedication and service! Your hard work makes a real difference in our community. Enjoy some well-deserved sweet treats from [Kneading Joy!](#) □□

Who do you know that goes above and beyond to serve our community?

The Spring market is starting to heat up, just like the weather (thank goodness)! Inventory dropped last month and the average home sold for closer to list price (98%). It continues to take about 60 days for a property to go under contract.

We anticipate many homes will be available soon, which is typical of Spring. If you've been on the fence about buying or selling property, now is the time to give us a call! We have agents that specialize in everything from land to farms, residential and commercial, and even luxury. Whether buying or selling, you can count on us to get you the best possible result.
