

Chamber Member Spotlight

WebCo Manor Skilled Nursing & Rehab is excited to announce the beginning of a partnership with Cox Health! We are currently in the initial phases of bringing in a Dialysis unit for Marshfield and its surrounding communities. WebCo currently offers skilled nursing services for residents requiring Peritoneal Dialysis, and we are actively working toward a Home-Hemodialysis model for the facility. Our team here at WebCo are extremely excited to be working closely with Cox Health to bring in this service to the community! None of this would have been possible without Rob and Rachel hosting our wonderful Marshfield Chamber of Commerce events.

Thankful Thursday

Today we're celebrating someone who has made an incredible impact at [Marshfield High School](#) — Juliana Pyle!

Here's what Linda had to say:

"Mrs. Juliana Pyle is most deserving of the Thankful Thursday recognition. Juliana is an absolute light to all those around her, but especially to over 120 students in 4 different choirs. In her time at MHS, Mrs. Pyle has helped the choir program grow by leaps and bounds and has brought home countless awards, trophies and accolades. Her dedication and love to the choir program and her students is evident and appreciated by all those who know her." Juliana, thank you for the joy, talent, and heart you've brought to MHS. Your influence will be felt for years to come!

We hope you enjoy your [Starbucks](#) — you've truly earned it!

News Release

Missourians Impacted by Mid-March Severe Storms Can Apply for Federal Disaster Assistance. **Here's How.**

Kansas City, MO – Missourians in 18 counties impacted by the severe storms March 14-15 are now eligible to apply for assistance to help support their disaster recovery. It's free, and as easy as a 20-minute phone call or a click online.

President Trump made the federal assistance available earlier this week when he approved a Major Disaster Declaration request from Governor Mike Kehoe to help with eligible costs associated with the mid-March severe storms, straight-line winds, tornadoes and wildfires.

The assistance, under FEMA's Individuals and Households Program, is available to eligible homeowners, renters and self-employed business owners in these counties: Bollinger, Butler, Camden, Carter, Franklin, Howell, Iron, Jefferson, Oregon, Ozark, Perry, Phelps, Reynolds, Ripley, St. Louis, Wayne, Webster, and Wright.

Note: Damage from the May 16 severe storms and tornadoes in the City of St. Louis, St. Louis County, Scott County, and surrounding area are not included in this declaration.

Here's how to apply:

- Online: www.disasterassistance.gov
- Phone: 800-621-3362 (FEMA) from 6 a.m. to 10 p.m. Central.
- Download and use the [FEMA app](#)
- Anyone using a relay service, such as video relay service (VRS), captioned telephone service or others, can give FEMA the number for that service. For an accessible video on three ways to apply for FEMA assistance, visit: <https://www.youtube.com/watch?v=LU7wzRjByhI>

-more-

FEMA works with each household on a case-by-case basis. When you apply for assistance, please have the following information readily available:

- A current phone number where you can be contacted
- Your address at the time of the disaster and the address where you are now staying
- Your Social Security number, if available
- A general list of damage and losses
- If insured, the policy number or the agent and/or the company name
- Bank account and routing numbers for direct deposit of funds

FEMA Individual Assistance offers a range of grants to those affected by disasters who are uninsured or underinsured and determined to be eligible for federal aid based on the type of damage sustained, when the damage occurred and whether federal disaster assistance is available in their area. FEMA grants do not have to be repaid.

The grants can include money for temporary housing and home repairs, replacement of lost essential personal property and more to help individuals and business owners recover from the effects of the disaster.

Public Assistance:

FEMA Public Assistance for the same March 14-15 severe storms, straight-line winds, tornadoes and wildfires also was authorized for governmental entities and certain nonprofit organizations in 15 Missouri counties to help repair or replace eligible disaster-damaged infrastructure such as roads, bridges, government facilities, parks, utilities and more.

The designated counties are: Bollinger, Butler, Callaway, Carter, Dunklin, Franklin, Howell, Iron, Madison, New Madrid, Oregon, Ozark, Perry, Phelps, Reynolds, Ripley, Scott, Shannon, Stoddard, and Wayne.

A second federal declaration authorizing Public Assistance also has been approved for severe weather that occurred from March 30-April 8, 2025. The counties eligible for assistance under this federal declaration are: Bollinger, Butler, Cape Girardeau, Carter, Cooper, Douglas, Dunklin, Howell, Iron, Madison, Maries, Mississippi, New Madrid, Oregon, Ozark, Pemiscot, Reynolds, Ripley, Scott, Shannon, Stoddard, Texas, Vernon, Wayne, and Webster.
