

Chamber Partner Spotlight

Hello there! If you haven't met me, I'm Lisa Hardy owner of Lisa's - a bake to order food establishment. My shop is located at 2238 S Elm Rd Marshfield, MO just about 1 1/2 miles from town.

I began this venture in 2019 out of my home kitchen, baking (under the MO Cottage Law) several different yummy treats that remind you of Mom or Grandma's cooking. In 2021 a new building was put up so that I could expand what I make - i.e. foods that need to stay refrigerated such as cream pies and salads and foods that need to stay hot such as meals. My facility is health department inspected.

In the beginning I set up at a few events, but since moving into my own building, I decided to discontinue doing them. They are a tremendous

amount of work for one person. I have also attempted a few times to bake several items to have available for folks to stop by and grab , but not being in town is not convenient for most people. Both of those options usually leave me with lots of

unsold product that doesn't keep long and needs to be deeply discounted or thrown away. I do not like waste!

Therefore, my business is pretty much bake to order. I usually don't need much notice to make what you need - depending on what supplies I have on hand. Even though I have a 'menu', it is not all inclusive. If there is something that you want, just ask and I'll see if it's in my capabilities. (disclaimer - I do not decorate!). I have baked/cooked for some local organizations as well as all of the individual orders I receive from my wonderful repeat customers! Some times of the year are busier than others and I have to limit my orders, but I try my best to fill all of them that I can.

My facility is also available for small groups of 10 - 15 to use for meetings/get-togethers/luncheons. I have some retro/vintage tables and chairs for seating. There's also a nice covered front porch!

With all of the competition out there, I truly appreciate each one of my customers and look forward to baking/cooking for you! I surely do enjoy visiting with my customers when they drop by! I look forward to hearing from you soon!
