Thankful Thursday

Today, we're shining the spotlight on someone who truly goes above and beyond for our community — [Breanne Rost!](#)

Here's what Natalie had to say about Breanne:

"Breanne is one of those people who always shows up to do whatever is needed. She is the epitome of 'See a Need, Fill a Need!' I ran into her last night at the Donkey Basketball game. Yes, her husband was playing, and yes, she is a great supporter of community events, but she was also there capturing memories of our youth and their participation. She is at every ballgame, event, or gathering, shepherding our children through their academic and extracurricular journeys. She fosters relationships with our youth that motivate them to stretch their minds, their skills, and their dreams. She truly is an amazing asset to our community and I for one am so thankful for her efforts."

Breanne, your heart for our youth and the countless ways you show up with passion and purpose inspire us all.

Thank you for your unwavering dedication — your efforts do not go unnoticed! We hope you (and your students!) enjoy your sweet treats from [Sheila's Place!](#)
