## 🎉 Thankful Thursday 🎉

Today we're celebrating **M3X LLC** — a business that proves integrity and great communication never go out of style!

Preston shared this story that perfectly captures who they are:

"We use M3X for our trash services. On October 16th, our trash was picked up and the driver backed into our brick mailbox and our neighbors. Within minutes, we were notified with a picture in an email and a phone call. They said on their own that they would make it right and contact a business to rebuild it. On Monday, October 20th, they had a crew at our house rebuilding the brick mailbox and got it completed by 6 PM that evening. The M3X crew did a great job of doing the "right" thing and communicating effectively. We are thankful for hometown businesses, talking to people and not computer voices, and for getting our trash picked up on days that it is supposed to be. It is also important to show grace to the drivers because mistakes or accidents happen. We couldn't be more proud to be customers of M3X!"

We love seeing local businesses take pride in doing what's right — and M3X continues to set the bar high for hometown service. We're so proud to have them as a Marshfield Chamber member!

Enjoy your treat from [Domino's Pizza](#), M3X — and thank you for all you do for our community!
