Thankful  
Thursday

This week, we are excited to recognize Jaydon and Dawson from [Whispering Oaks Golf Course](#) ! These two brothers go above and beyond—not only in their work but in their commitment to our community.

Here's what their supervisor, Jason, had to say about them:

"Jaydon and Dawson have been working at the golf course for over two years. In that time as their supervisor they have excelled at every position I have put them into. They receive daily praise from the members, guests, and other workers at the golf course. They are willing to do any task that is asked of them, and there is a lot. They help set up tournaments from 6:00 AM to the closing shift, they will do any side job the clubhouse or grounds crew needs. I never have to worry if the job is done completely, it is and always to perfection. While doing this work at the golf course they have also went out into the community and helped members and guests with moving, cleaning, yard work, installation of a mailbox, shoveling snow, basically everything. Whispering Oaks is extremely lucky to that these great brothers representing the course and the community."

We are so thankful for Jaydon and Dawson—not only for their dedication to their jobs at Whispering Oaks, but also for their service to our community.

To celebrate them, we surprised them with a sweet treat from [Kneading Joy!](#)

Thank you, Jaydon and Dawson, for making such a positive impact!

Who do you know that goes above and beyond to serve our community?

Nominate them for Thankful Thursday?
