Marshfield to Celebrate Ribbon Cutting for New Wing of Skilled Nursing Facility

The community is invited to join local leaders, healthcare professionals, and residents for the ribbon cutting and grand opening celebration of the Webco Nursing Skilled Nursing Wing, located at 1687 W. Washington. The event will take place

on September 24 at 2:00 P.M.

The ceremony will feature remarks from Kenna Morris, Webco Nursing's Administrator, as well as representatives from the facilities Board of Directors. Following the ribbon cutting, guests will be welcomed for guided tours of the facility, light refreshments, local entertainment, and the chance to meet members of the care team and meet a few of the residents.

Webco Nursing is designed to provide high-quality skilled nursing care, including rehabilitation, post-surgical recovery, long-term care, and specialized services for residents with memory support needs. Administrators say the goal is to create a comfortable environment that promotes healing, dignity, and independence.

"In the heart of our rural community, we open these doors not just to a new wing, but to new beginnings-where healing, strength, and hope grow close to home."

Kenna Morris, Administrator.

The new facility is expected to create more jobs in the area and will serve as a valuable healthcare resource for Marshfield and surrounding communities.

Community members are encouraged to attend and take part in the celebration. For more information about the event or the services offered at Webco Nursing, call 417-859-5144.

Thankful
Thursday

☀️ Thankful Thursday ☀️

This Thankful Thursday we recognize Rosie Felin. Rosie has been a faithful friend to the Marshfield community for many years and has roots that run deep here. Recently, Rosie saw a need outside of the new chamber office and set about solving the issue. Rosie personally pulled all of the weeds from the flower bed facing Jackson Street and then cleaned up everything. The chamber is certainly thankful for dedicated community volunteers like Rosie who go above and beyond to help their neighbors. Thank you, Rosie!! Rosie, we are so thankful for you and your willingness to step in and take care of a need when you see it.

Side note: Rosie turned 96 at the end of August — doesn't she look fabulous?! Rosie, we hope you enjoyed your Oreo cake from [Price Cutter](#)! We love recognizing those who go above and beyond to serve our community!! Who do you know that goes above?

 Nominate them for Thankful Thursday below.
