

Chamber Partner Spotlight

Admin Business Advisors, LLC

was founded in April 2025 to relieve the admin burden of small business owners.

I started with a 10 year career in banking followed by an eight year career in contracts/proposals with an Environmental company in Springfield (they are set to hit 90M in revenue this year). Using that experience, I decided to branch out and start helping small businesses fine tune their organization by offering services such as: CRM setup, bookkeeping, subcontractor management, and branding assistance. My focus lies in streamlining operations and fostering growth through practical solutions such as social media management, website development, SOP development

and, client and lead tracking. These services are offered through a contract basis as well as one time service contracts to fit the needs of all clients.

Certifications/Qualifications include: Certificate for Foundations of Proposal Management (OST Global), Missouri Notary, Microsoft Business Suite, Deltek Vantagepoint, Federal/State proposal portals, Technical Editing, and expert PDF/Word experience.

Personally, I am a proud wife to Josh and mother to Jackson and Marcus and I spend my spare time coaching my kids sports teams and substitute teaching for local school districts!

Lastly, I offer free consultations to any business owner, please contact me and we can schedule a time to meet and evaluate!

Thankful
Thursday

☀️ Thankful Thursday ☀️

This week, we're shining a spotlight on Linda Blazer with the [Webster County Historical Society](#) !

Here's what Chase had to say about Linda: "I needed some more information about the start of Marshfield Motor Company and she was able to show me and Harlan the articles in the paper from 1926 welcoming the company to town and some of the very early advertisements from the company that were placed in the paper almost 100 years ago. She had all of the pages marked, and made the research extremely easy. She even showed us some old newspaper writings from our family. Harlan and I had a blast looking through everything she had found for us."

Linda, we're so grateful for the time, care, and passion you pour into preserving Marshfield's rich history. You make the past feel personal, and your dedication helps connect generations through stories that matter.

We hope you enjoyed your cookies from [Sheila's Place](#) ! Marshfield is lucky to have you, Linda!

Who do you know that goes above and beyond to serve our community?

📌 Nominate them for Thankful Thursday below.

News Brief:

A new chapter of the Daughters of the American Revolution (DAR) is forming in Marshfield, Missouri! The DAR is a women's service organization dedicated to promoting historic preservation, education, and patriotism while honoring the legacy of those who fought for American independence. Women who can trace their ancestry to a patriot of the Revolutionary War are encouraged to explore membership. Those interested in learning more or in becoming part of this new chapter are invited to contact Jeanette Alcorn at 417-859-2114.
