WHAT A SHOW! 🎬

We were thrilled to welcome Bre Rost from **Marshfield High School** as we dove into all things Special Olympics on this episode of Marshfield Today!

Did you know Marshfield High School has its very own Special Olympics team? And let us tell you... **THEY ARE AWESOME!**

We also got a special visit from Brew Jay Ink — who not only brought us the most delicious chai tea latte, but are also part of the Special Olympics team themselves! Their energy, kindness, and school spirit made today's show even more fun.

And of course... the Blue Jay Report featured Brew Jay Ink this week, and they've been brewing up something special for all of us! If you didn't get a chance to watch live, this is definitely an episode you'll want to go back and catch!

Thankful Thursday Spotlight: **Paul at Marshfield Chevrolet**

This week, we are thrilled to recognize Paul from **Marshfield Chevrolet** — someone whose kindness and willingness to help truly brighten our community. Here's what one thankful customer had to share about Paul:

"Thankful Thursday shoutout to Paul at Marshfield Chevrolet! I recently had my vehicle serviced and when Paul came to get my keys, I asked if he would also put gas in it. Without hesitation he said yes — and he did! It may seem like something small to some, but fueling up is one task that I absolutely hate to do, and I am so thankful for Paul!

We are so fortunate to have folks in our community who go above and beyond to serve others!"

To show our appreciation, we surprised Paul with a sweet treat from [Price Cutter](#) — and his smile said it all. He was genuinely grateful, and an absolute joy to be around.

Thank you, Paul, for going the extra mile and making Marshfield a kinder place.
