🎀 **Celebrating 100 Years of Route 66** 🎀

We were excited to join the **Webster County Celebrations** Committee for their ribbon cutting at The Little Gas Station, celebrating the 100th

anniversary of Route 66 and unveiling the brand-new interactive Route 66 sign!

This spot is such a fantastic addition to our community — a perfect way to honor the Mother Road's centennial and celebrate the history that runs right through Webster County.

If you haven't had a chance to stop by yet, we hope you'll check it out soon and experience this great new Route 66 feature for yourself.

What a wonderful way to kick off a year of celebrating 100 years of America's most iconic highway!

The Little Gas Station and Interactive sign are located at 360 W Hubble Drive, Marshfield.

✨Thankful Thursday Spotlight ✨

This week, we're excited to recognize Tina with **Downtown Salon**

Here's what Stacie had to say about her:

"She truly cares for her clients. Every time they leave she says "let me know if you need anything" and she doesn't mean just with their nails, she means with anything! This woman has given her last dollar to help a stranger who was locked out of their car in Springfield before. She has the biggest heart and cares deeply for her friends and family as well as strangers. And the best part is, she does it with love and without expectation of anything from you."

Tina, thank you for serving our community so well and for the kindness you show to everyone around you.

We hope you enjoy your day pass at **Restored Wellness & Recovery Spa** — we are so thankful for you!

Who do you know that goes above and beyond to serve our community?
