My name is Megan Shelton and I am the owner and founder of Broken Corral Country Store.

Ringo is co-owner, and if you stop in you will see he works very hard!

I strive to carry quality, yet affordable, items that the whole family can enjoy. From pearl snap shirts for dad, a new outfit for mom and the kids, to a new collar and squeaky toy for the pooch - we've got you covered!

Where did I come up with the name for my lovely little slice of western heaven? That's a good question!

I had a horse years ago who attempted to jump over a panel. He didn't succeed and crushed the panel. My grandfather saw this and told me when I have my own farm that I should name it Broken Corral Acres. Anddd that's just what I did!

My grandfather passed away before he could see this, so I thought what better way to remember him than to carry on the name!

I love meeting new people so stop in to take a look around and say hi!

Arvest Bank's Million Meals Campaign Returns for 16th Year

Initiative to benefit the Webster County Food Pantry.

MARSHFIELD, Mo. (April 1, 2026) – Arvest Bank has officially launched the 16th year of its annual Million Meals campaign, a two-month effort to raise awareness and funds to fight hunger in Missouri, Arkansas, Oklahoma and Kansas.

Money raised through May 31 will support over 70 food partners, including the **Webster County Food Pantry**. Every dollar donated goes directly to these organizations and provides up to five meals for those in need. The Million Meals campaign helps local food pantries meet the expected increase in need during the summer months, when many children don't have access to free school meals.

"At Arvest, we understand that when our neighbors are fed and healthy, our entire community thrives," said Penny Lacy, sales manager, EVP, for Arvest Bank – Springfield Region. "Now in our 16th year, we are more committed than ever to fighting hunger because no family should have to worry about where their next meal is coming from. We invite everyone to join us over the next two months as we turn donations into meals for those who need them most."

Missouri is tied for 17th in the nation for food insecurity, with 13% of households reporting they lacked the resources to provide enough food to feed their families, according to the latest data from the U.S. Department of Agriculture. Across the U.S., 18% of households with children under 18 experienced food insecurity in 2024, and 11% had elderly individuals living alone.

Since 2011, the initiative has helped provide more than 28 million meals and collected more than \$5.1 million in donations. Last year, the campaign helped provide a record 3.08 million meals for hungry families and individuals.

How to Donate

Monetary donations can be made through May 31 in the following ways:

- **Donate at a branch.** Cash and check contributions will be accepted at Arvest Bank branches. Ask any Arvest associate for details.
- **Donate online.** Visit arvest.com/millionmeals to donate online.

For more information about Million Meals and the campaign's local food partners, visit arvest.com/millionmeals.
