Jordan Valley Health to Host Annual Back-to-School Events

SPRINGFIELD, MO — July 28, 2026— Jordan Valley Health invites families to kick off the school year healthy at its Start Strong Back-to-School Events, with the first happening this Saturday, August 1, from 9:00 AM to 2:00 PM at 1720 W Grand Street in Springfield.

This fun and family-friendly event provides well-child visits, dental and vision screenings, immunizations, and sports physicals. Everything kids need to start the school year healthy and ready to learn. Services will be available on-site, making it a one-stop opportunity for back-to-school health needs.

"Back-to-school season is one of the busiest times of year for families, and we're here to make it a little easier," says Melissa Wehner, Vice President of Operations. "These events connect children with the healthcare services they need so they can walk into the classroom healthy and ready to succeed."

Attendees can also enjoy free food, special activities and games, and big rig visits from the Springfield Fire Department, The Greene County Sheriff's Department, and the Springfield Police Department. It should be an exciting day for kids and parents alike.

Jordan Valley Health's regional clinics in Marshfield, Lebanon, Republic, and Hollister will host Back-to-School events, too. For families seeking care that cannot attend an event, back-to-school services are available at Jordan Valley Health clinics through September 30.
