👥 Marshfield Today with Safe Harbor! 👥

Today's episode was filled with both important conversations and plenty of fun moments. We tackled a very serious topic as we welcomed Tammie and Cindy from **Safe Harbor** to talk about domestic violence, the impact it has

on our community, and the support available for those who need it most.
This is truly an episode you will not want to miss.
If you or someone you know needs help, the Domestic Violence Hotline is
available 24/7: 1 800 799 SAFE (7233)
We also had some fun highlighting Safe Harbor's Benefit Sale happening
THIS weekend! Take a look at the episode and see if you recognize any of
the items we showcased — you never know what treasures you may find
while supporting an incredible cause helping victims of domestic violence
right here in Webster County.

A huge THANK YOU to our Platinum Members
